Fall Clean up Reminder

As we all dig in to our Fall yard maintenance chores, just a reminder that Section 20 of the Deed Restrictions prohibits disposing of debris anywhere on common property or in vacant lots in the subdivision. Please keep our neighborhood looking good by disposing of your yard waste at the Town Dump or maintain discreet compost piles only within your back yard property boundaries. The last mow of the season is this week. Also be sure to provide proper Winter care for any common area trees and shrubs within your proximity. See you all at the Annual meeting.

Regards,
Terry
